There should always be a minimum of two (2) persons working together. No society member must ever attempt to undertake any works on their own. There should be at least one first aid kit on site during any works parties and at least one mobile phone to hand.

Responsibility: All members

Risk Assessment.

Haywards Heath & District Angling Society Ltd Fishing Club will ensure that suitable risk assessments are carried out before any work takes place. The aim of risk assessment is to avoid as and to promote the health, safety and welfare of all those involved or who may be affected by the activity. As members of Haywards Heath & District Angling Society Ltd Fishing Club, administrators and event organisers have not only a moral but also a legal responsibility to ensure that club activities and any organised events are as safe as practicably possible. Risk assessment will be carried out with a view of minimising risk. As well as reducing the likelihood of accidents happening; in the event of an accident it will also reduce the chance of serious injury or ill health. Risk assessment form to be used can be found on this page of the website
